Catalan Eagle takes its name from the bird that soars above the nature reserve close to the winery.

Pepe Fuster makes wine from his 28 hectare vineyard in Terra Alta which is near Tarragona in southern Catalonia. The vineyard is organically certified and the Catalan Eagle red wine has been fully certified since 2012.

Catalan Eagle red is the partner to the highly successful organic Catalan Eagle white. Savoury, minerally flavours from old vine Garnacha and Cariñena are complemented by the smokiness and backbone of the Syrah and Cabernet.

Picked around the end of September, the wine spent 3-4 weeks in contact with French oak staves after fermentation and prior to blending of the component wines which adds a touch of vanilla and complexity. Principally lime, stone and clay soil mix.
